## Political Developments

### **Sindh government announces public holiday on February 5 to observe Kashmir solidarity day**

*The Express Tribune, January 31, 2022*

The Sindh government has declared February 5 a public holiday on the occasion of Kashmir Solidarity Day. As per the notification, all government and private offices, educational institutions and markets would remain closed on that day. The day is included in the list of gazetted holidays of the federal government every year. The Foreign Office (FO) spokesperson had said that on January 26, as India observed Republic Day, Pakistan reaffirmed its “unshakable resolve to continue to raise its voice and extend all possible support for the right of self-determination of the people of Kashmir”, who marked that day as “black day.” He said that it was deplorable that in the past few days, the “Indian occupation forces had further intensified the military siege” already in place in the “occupied territory” for more than seven decades. The spokesperson said that “coercing innocent Kashmiris to hoist Indian flags on Republic Day” was typical of India’s arrogance to project a “false sense of normalcy” and a hopeless attempt at masking its “systematic and widespread oppression.”

### **GB CM Khalid Khurshid meet with the PM of AJK**

*Daily Parliament Times, January 31, 2022*

The Chief Minister (CM) of Gilgit-Baltistan (GB) Khalid Khurshid called

on the Prime Minister (PM) of “Azad Jammu and Kashmir” (AJK) Sardar Abdul Qayyum Niazi at Jammu and Kashmir House. They discussed the situation in “occupied Kashmir”, and other issues of mutual interest during the meeting. The PM of ‘AJK’ said that the process of construction and development is going on in “Azad Kashmir” as per the vision of the PM of Pakistan, Imran Khan. He stressed that in addition to the developmental activities, the state government is taking solid steps for the “liberation of occupied Kashmir” which is the top priority of the government. The GB CM said that after Pakistan and GB, the people of “Azad Kashmir” have also laid the foundation of change in “Azad Kashmir” by expressing confidence in the ideology of PM Imran Khan.

### **'India's cruel tactics cannot change the reality of Kashmir dispute:' APHC-AJK**

*Pakistan Observer, January 31, 2022*

The leaders of All Parties Hurriyat Conference “Azad Jammu and Kashmir” (APHC-AJK) chapter, Sheikh Abdul Mateen and Imtiaz Wani have said that “India’s cruel tactics” cannot change the reality of the Kashmir dispute. The APHC-AJK leaders paid tributes to the “five Kashmiri youth who were martyred by the Indian troops” in Pulwama and Budgam. They noted that India had intensified its “atrocities in the occupied territory and was killing innocent Kashmiri youth” during the so-called cordon and search operations, which was condemnable. The Hurriyat leaders urged India to

give up its “oppressive policy” towards Kashmir and resolve the lingering Kashmir dispute by giving “Kashmiris their right to self-determination.”

### **'Utterly delusional:' Pakistan FO rejects Indian minister's remarks regarding 'integration' of 'AJK'**

*Dawn, February 01, 2022*

The Pakistan Foreign Office (FO) spokesperson Asim Iftikhar Ahmad said that Pakistan “reject the utterly delusional and provocative” remarks by an Indian minister belonging to the ruling Bharatiya Janata Party (BJP) who called for the “integration” of “Azad Jammu and Kashmir” (AJK) with India by 2024. The FO spokesperson said that political figures from the “BJP and Rashtriya Swayamsevak Sangh” (RSS) combined are in the habit of dragging Pakistan into India's domestic politics “in a bid to divert public attention from major issues and to stoke hyper-nationalism to make electoral gains.” He further said that the Indian government should stop indulging in “absurd fantasies and to take cognizance of the grave situation on the ground in Indian Illegally Occupied Jammu and Kashmir” (IIOJK).” He said that despite “decades of unabated Indian oppression and the illegal and unilateral actions” of August 5, 2019, Kashmiris’ resolve to “resist Indian occupation” has only strengthened over time. He opined that Jammu and Kashmir (J&K) is an “internationally recognised dispute” on the agenda of the United Nations Security Council (UNSC) and the final disposition of J&K will be made in a free and

impartial plebiscite. He stressed that rather than entertaining any notions of “aggrandizement, India should vacate its illegal occupation of IIOJK” and be prepared for accountability for the “brutalization of the innocent Kashmiris by its occupation forces.” The FO spokesperson added that Pakistan would continue to extend all possible support to the Kashmiri people in their struggle for the “right to self-determination.”

### **'India bent on changing IIOJK into Hindu majority state:' JKNF Spokesman**

*Daily Times, 02, 2022*

The Jammu and Kashmir National Front (JKNF) spokesman Shafiq-ur-Rehman said that the “brutal killing of four Kashmiri youths by the Indian occupation forces” during a crackdown and search operations in the Naira area of Pulwama district is the “worst form of state terrorism.” He further said that the “systematic killing of Kashmiri youth” was a part of the ruling “regime’s dream project” that sought to “change the region’s demography” from a Muslim majority region into a minority through “systematic elimination of Muslims.”

He further claimed that “everyday carnage” on the streets in Kashmir, was the most obvious manifestation of “extremist nationalism”, aimed at fueling an “ethnic cleansing” which posed a grave “existential threat” to Kashmiris under “India’s authoritarian regime.” While expressing his party’s

concern over the “worsening political and human rights situation in the region”, he said that it was high time that the world took cognizance of “Indian state terrorism.” He also condemned the issuing of summons by police to two Kashmiri journalists and termed it as an “atrocious assault on free media and independent journalism.”

While talking to various delegations at Jammu and Kashmir (J&K) house, he said that given the “critical situation in occupied Kashmir”, there will be “massive protests all over the world” against the removal of the “constitutional status of occupied” J&K by the Indian government and imposing the “extremist ideology of the Rashtriya Swayamsevak Sangh” (RSS). He further claimed that meetings, processions and rallies will be held in

Germany, Netherlands, Italy, Belgium, Spain, Portugal, Sweden, Greece, Poland and other countries in connection with Kashmir Solidarity Week. ### **‘Modi’s fascist policies have failed to crush Kashmiri resistance spirit:’ PM Imran Khan**

*Daily Parliament Times, February 05, 2022*

The Prime Minister (PM) of Pakistan, Imran Khan in his message on Kashmir solidarity day, reiterated that “Pakistan stands united with Kashmiri brothers and sisters” and urged the international community to take notice of “India’s crimes against humanity.” The PM wrote in his Twitter handle, that, “Modi’s fascist policies of oppression and violence have failed to crush the spirit of the Kashmiri resistance in Indian-occupied Kashmir” (IoK). He further maintained that Kashmir issue is an internationally recognized dispute in the relevant United Nations Security Council (UNSC) resolutions and stressed that the “human rights situation in ‘IoK’ has continued to worsen following India’s illegal and unilateral actions in August 2019.” He said that India has not “reciprocated Pakistan’s efforts for peace and stability”, and stressed that the “durable peace, security and development in the region hinge on peaceful resolution of the Jammu and Kashmir dispute.”
